All ready for the big return

We are all really excited that we are getting back together next Monday, when everyone returns to school for the first time since the beginning of January. The teachers have been planning all week to create some fabulous lessons. Olwyn has been ordering extra food for all the dinners she is going to have to be making and Mrs. Robinson has been making sure we have plenty of new pencils and exercise books so we are all ready for next week.

We are sure that you are excited too. All the parents are probably excited that they don't have to sit through any more grammar, phonics or maths videos and we know that the children will have been missing their friends and teachers. We promise that we will make the return as easy as possible and if you are nervous, confused or just a bit freaked out about being back in school, you must let us know and we will do all we can to help.

Each member of our school family needs to play their important part by following the rules we have put in place. They are the same as before Christmas - you line up in the same places and play with the same people. It is very important that we all remember that although we are returning to a more normal school day, the rules on distancing, handwashing and behaviour need to be followed. Our goal is to do our very best to keep everybody safe and healthy and we are so pleased to welcome you all back to school at last!

Please read Mr Pugh's Headteacher Blog and the email sent on Thursday for more detailed information.

IT'S WORLD BOOK DAY!

What a great time was had when we celebrated World Book Day this week in school. Class Four started the week by taking part in a a live doodle along, with the author Liz Pichon - famous for her best-selling Tom Gates books. Look how great Finley's doodle is.

James Robinson in Year Six was so inspired that he wrote his own book for World Book Day. The story is called *The Boy Who Was Half Demon* and James even came dressed up as the main character. Watch out JK Rowling.

Cole, who created the awesome *Haunted Hotel* story for our podcast, has created his own alien character - Blob the Karate Master. He is a vicious villain who fights against Cole the Jujitsu master. **WELL DONE EVERYONE!**

Art Competition

As we return to school, it is important for us to remember that we still have to socially distance and very important that we continue to wash our hands.

- We would like you to design a really eye-catching poster for us to display around school. You could use paints, colouring pencils, felt pens, collage or even the computer to design your poster.
- You need to include the ideas on the example - wet, get soap, scrub, rinse and dry. Don't copy the poster - design your own.
- You can email your poster to Mr Pugh or Mrs Robinson, drop it off at school or bring it in on March 8th, when we all return.
- Mr Pugh will choose 2 winners from each class who will all receive a prize and have their posters copied and displayed around school. **The closing date is Tuesday 9th March.**

What do I do if I think we could have Coronavirus?

Here is our weekly reminder of the guidance about Covid19 and the symptoms. When should you keep your child home and seek a test? How can you tell if your child just has a cold, or whether it might be coronavirus?

It is recommended that pupils and staff who feel unwell, get tested if:

They develop one or more of the main coronavirus symptoms: a high temperature; a new, continuous cough; or the loss or change of their sense of taste or smell; If a child is tested because they are unwell, they should stay off school until they receive a result. As in any year, as schools go back, children may pick up common colds or feel unwell with a sore throat, stomach upset or a headache. These children may need to stay off school and parents/carers should call their GP or dial 111 to seek medical advice if they are concerned about their child's health.

Red Nose Day 2021 - March 19th

We will be having a laugh on Friday 19th March as we celebrate Red Nose Day 2021.

All children and staff are invited to choose one of these daft activities as part of the fun:

- Wear your clothes back to front
- Paint your face to make your friends laugh
- Do your hair in a wild and crazy way

All we ask is that you bring in a donation to Comic Relief - we suggest £1 - but you can give more if you want.

Before Red Nose Day we will have a special assembly to look at the great work done by the charity and learn about some of the fantastic people who have been helped by Comic Relief.

Join in with the fun and let's make it a day to remember.

Important Reminders

March

Monday 8th: Back to school
 Monday 8th: Swimming for Class 3
 Tuesday 9th: Art Competition closes
 Friday 19th: Red Nose Day
 Friday 26th: Easter Holidays begin

April

Monday 12th: Back to school

Every Tuesday: PE with Mr Harris
don't forget to bring your kit!

Our archive picture this week is from World Book Day - back in the day. There is no writing (or date) on the back of the original, so we don't know who this crew are behind their masks. Let us know if you recognise one of them. Mr Pugh has also added some more photos to the website gallery of our school in the past. Click on the Gallery at the bottom of the home page, then scroll down to see them.

Collective Worship

It's been great to hear from some of our parents and pupils at home who are enjoying spending time with us during our twice weekly Collective Worship assemblies.

On return to school, the Friday Assembly will continue to be shared for parents at home. We celebrate the Best Bits of our week, announce our Super Learners and get ready for the well earned weekend rest.

To join in, just click the blue banner button on the website homepage that says Collective Worship. All the videos are there.

This half term, the theme of our Worship time will be forgiveness.
