## Great to have everyone back

**Hi Everyone,**

Thanks for your hard work during lockdown. It is clear from what we have seen in school this week that the children have engaged with their home learning and are all glad to be back with their friends and teachers. I just wanted to reassure you that everyone has had a great week, despite a few nerves and its almost like we have never been away.

Today, you should have received a class newsletter and a knowledge organiser for this term's theme. Class One and Two are studying Childhood, looking at toys from the past. Class Three are exploring the world of Ancient Egypt and many children have already brought in some masks and pyramid models they have made at home.

Class Four are travelling back to the time of the Vikings; learning all about their gods, warriors and legends. It's great to have everyone back; let's just hope it stops raining sometime before the Easter holidays!

## Red Nose Day 2021 - March 19th

We will be having a laugh next week as we celebrate Red Nose Day 2021.

All children and staff are invited to choose one of these daft activities as part of the fun:

- Wear your clothes back to front
- Paint your face to make your friends laugh
- Do your hair in a wild and crazy way

All we ask is that you bring in a donation to Comic Relief - we suggest £1 - but you can give more if you want. We will also have a joke telling contest in class so every child needs a joke to tell.

Next week's assemblies will revisit our theme of generosity to look at the great work done by the charity and learn about some of the fantastic people who have been helped by Comic Relief.

**TOGETHER, WE CAN MAKE THIS RED NOSE DAY THE BEST EVER!**

## PTA - Have you joined the lottery?

The PTA have launched a lottery to raise funds and give players the chance to win prizes. A replacement for the 100 Club, the lottery is run by the national, Your School Lottery Company. Tickets are £1 a week and as well as a chance of the national jackpot, there are regular draws just for our school. Visit [yourschoollottery.co.uk](http://yourschoollottery.co.uk) to sign up, help school and be in with a chance of a win.

## PTA - Summer Fair

We are hoping that once the pandemic restrictions are over, we will be able to have some of our traditional Summer Events. We are hoping to be able to run a sports day, a leavers play and the PTA are planning for a Summer Fair during July. If you have any ideas or can offer to help with the fair please contact the PTA via school or their facebook page.

## Back to work in Class 1

## Easter Raffle - Mon 22 March

Thanks to everyone who has contributed a raffle prize this week. If you have anything to contribute, please bring in to Mrs Robinson in the office. Tickets have been sent home and are priced 50p or £2.50 for a book. There will be many prizes - all worth winning!

Mr Pugh and members of the PTA will be drawing the raffle on Monday 22nd and prizes will be available for pick up from the school office before we break up for the Easter holidays.

# School Website

Please check out the following areas of the school website for some helpful information:

- The **blue Collective Worship** button will take you to our Friday celebration assemblies, where you can catch up on super learners, team points and best bits from the week. Please watch at home and see what we have been up to.
- The **green Post Lockdown Help** button will lead you to several useful booklets which could help if you or your child are struggling with the return to school
- The **yellow Be Smart on the Internet** button gives lots of online safety advice.
- Gallery, at the bottom of the page is a great place to see photographs of events and lessons.

## Coronavirus

Here is our weekly reminder of the guidance about Covid19 and the symptoms. When should you keep your child home and seek a test? How can you tell if your child just has a cold, or whether it might be coronavirus?

**It is recommended that pupils and staff who feel unwell, get tested if:**

They develop one or more of the main coronavirus symptoms: a high temperature; a new, continuous cough; or the loss or change of their sense of taste or smell;

If a child is tested because they are unwell, they should stay off school until they receive a result. As in any year, as schools go back, children may pick up common colds or feel unwell with a sore throat, stomach upset or a headache. These children may need to stay off school and parents/carers should call their GP or dial 111 to seek medical advice if they are concerned about their child's health.

## Blast from the past

Our archive picture this week is from Comic Relief Day in 1997. There is no writing on the back of the original, so we don't know who this crew are behind their fluffy red noses. Let us know if you recognise one of these fund-raising young ladies. Check our more archive pictures on our website photo gallery.
