## Red Nose Bubble Run

To round off our Red Nose Day fun last Friday we held a Bubble Run around the school track. Great fun was had by everyone. In total we raised £122 for Comic Relief.

## Wet Fun on the Crag

Class One had a wet, but wonderful walk up the Crag on Tuesday. Using their bug detective skills they looked for creepy crawlies and their habitats.

# Macbeth in a Day Performance

Class Four have spent the term learning about Macbeth by William Shakespeare. They have produced some wonderful writing based on the play and have learnt about the characters in detail. On Thursday this week they were given the opportunity to work with a professional actor to put on a performance of the play. What an incredible experience and an exceptional performance too! Well done Class Four!

## Class One Habitat Boxes

This term, Class One are working with our new student teacher, Miss Watson. On Tuesday this week, they learnt all about different habitats - gardens, beaches and woodlands. Working in teams, they had to plan and make a habitat model in a cardboard box. They worked incredibly hard together, showing superb team work and artistic flair. The results were fantastic!
