Cracking Easter Egg Bingo

The Easter Bingo was a great success this week. Over 70 pupils, parents and grandparents took part to win one of the fabulous selection of eggs donated last week. Every child who attended went home with an egg too. The evening raised £350 for the school. Thanks to everyone who took part and to those who gave up their time to run the Bingo.

Class 2 are plant experts

Class Two have spent the past 1/2 term learning all about plants. They have investigated just what plants need to grow, planting and tending to their own sunflower seeds. They have learnt all about the life cycle of plants and used the school grounds to go on a plant hunt. It is great to see the children outside learning in our environment.

Easter Egg Designs

Well done to everyone who took part and designed an egg. There will be a gallery of photos and winners on the school website later.

A Very Special Visitor

Classes 1 and 2 were given a really amazing Easter treat today when Mrs Alty brought in a one day old baby lamb. Everyone had a stroke and Theo even named the new arrival Sheila. Thank you Mrs Alty for this great experience.
