Cross Country Glory

Archbishop's played host to the local cluster schools this week for a socially distanced cross country competition. The competition saw Years 5 and 6 compete against several other local primary schools - who all arrived and raced separately throughout the afternoon.

The challenging course made use of our great new track, up the hill and around the front part of the field. Following the races, the children all took part in a race around our new orienteering course which is set out all over the school grounds.

It is great to be able to report that we did really well, winning the girl's and boy's competition with Ella and Archie leading the teams to victory. This follows on from the Y3/4 competition which was at Arkholme Primary school last week. The Year 3/4 girls came second and the boys came third in their races. **Well done everyone who took part!**

Dance winners receive medals

We told you last week about Class 3's success in the recent dance competitions. Three of our groups helped us achieve second over all. Here they all are enjoying their medals. **Well done Class 3!**

Sun Safety in School

Now that it is much warmer, it's great to see so many children bringing in a hat for playtime.

Children should also put on sunscreen before they come to school in the morning - or can bring some in to leave in their class for break time. Let's all do our bit to stay sun safe.

Sports Day News

Following the announcement that Social Distancing measures will continue this term, we have had to make plans to do Sports Day in a different way.

Next Tuesday, June 22nd, all of the children will take part in the first round - the field events such as throwing and jumping. Each bubble will take part, during their PE lesson with Mr Harris. Points will be given and will be added to the team total. The following week, we will have the track events, including a long distance cross country run. All of the bubbles will watch these races, spread out across the field to cheer their team mates on.

We will of course let you know how they got on, which team won the title and will put as many videos and photographs on the website as we can take.

Blast from the Past

In 1969, the children of Archbishop Hutton's enjoyed sports and PE, just as they do today. I'm not sure they had such things as risk assessments back then and the use of a doormat as a crash mat is an interesting alternative! Do you have any old school pictures you would like to share? If so, email them in. You can see more blasts from the past on our School Website Gallery.

Class 1 chicks hatch out

Class 1 have been looking after an incubator, full of eggs as part of their nature science theme. This week, two of the chicks have hatched and Thomas Hizzard from Bubble 2 popped in to give the children a socially distant talk about our feathered friends. There are more photos on the celebration assembly video.

PTA - Summer Fair Plans

The PTA have had to postpone their planning for a Summer Fair. The PTA will be running a stall at the Warton Village party on the school field in August and say thank you for the bottles sent in to school today. These will be used for a bottle tombola.

Have you joined the PTA Lottery

The PTA have launched a lottery to raise funds and give players the chance to win prizes. Tickets are £1. Visit yourschoollottery.co.uk to sign up, help school and be in with a chance of a win.
