Sports Day Long Distance Run

As we informed you last week, this year's Sports Day is being split up across the next few Tuesdays. This Tuesday, the children took part in the long distance races, each year group taking their turn to run laps of the school track. Mr Harris says that everyone was superb and gave 100% effort to the run. Well done everyone! Next week, we finish off with the running races and we will add up the final total to see who won Archbishop Hutton's Sports Day 2021.

Sun Safety in School

Now that it is much warmer, it's great to see so many children bringing in a hat for playtime. Children should also put on sunscreen before they come to school in the morning - or can bring some in to leave in their class for break time. Let's all do our bit to stay sun safe.

Don't forget coats though - we are getting some wet days too!

Volcano Experiments Blast Off!

Class Three had an epic afternoon of science fun this week, erupting their home-made volcanoes in the playground.

Bottles of cola are hidden inside the volcanoes. When the lid is taken off and Mentos are added, a chemical reaction occurs, causing a huge eruption.

Videos of some of the eruptions along with more photos feature in this week's assembly.

Blast from the Past

As we reach the time when Year Six are leaving us, we have been looking back at some of our photos from the archive. Here is a great shot from the Christmas Play at St Oswalds. How sweet are they? Not a mobile phone in sight! Do you have any old school pictures you would like to share? If so, email them in. You can see more blasts from the past on our School Website Gallery.
