Harvest Foodbank Assembly

Next Friday we will be giving thanks for the hard work of the farmers by celebrating the Harvest. Our Assembly will be part of our Celebration Assembly. We hope you can donate to the foodbank as part of the harvest celebration.

Class 4 visit to Staveley

Class 4 had a great, wet day out in the Lake District on Tuesday. They visited the village of Staveley, comparing life there to life in Warton. Even though it rained almost all day, they walked around the village looking for landmarks, spoke to locals in the shops and used OS maps to plan and lead a walk in the woods.

Class 3 visit to Morecambe

Class 3 went to Morecambe for their Geography Visit. They visited the RNLi station, met the Lifeguards, sat in the lifeboats and tried on the uniforms. They walked along the Prom, looking at Morecambe's buildings and exploring landmarks they had learnt about in class.

BLACK HISTORY MONTH

We have been celebrating **Black History Month**, learning about significant black British people, their contribution to life in Britain and their legacy. In assembly, the children have learnt about the Windrush generation, inspiring sports stars, and pioneers of social justice. All of these people have made a unique and vital contribution to what Britain is today.

On the last week of term, we will be dedicating the week to in depth learning about significant people. We would like to invite parents to school on **Friday 20th October** to share our learning and find out more about some of the people we have been studying. We hope you will be available to attend.

There are thousands of significant Black British Icons. To prepare for Black History Week, we want the children to choose one British Black Hero. We want them to research the person and produce a poster or booklet about them. Please encourage your child to take part.

An advertisement for hcrj Care Group. It features a green background with a white box containing text. At the top left is the hcrj logo and 'Care Group'. At the top right is a 'ChatHealth' icon. The main text reads: 'Parent or carer', 'You can text a school nurse on', '07312263554'. Below this, it says 'We can help with all kinds of things like.....' followed by a list of services: 'Emotional Health & Wellbeing', 'Keeping Healthy Bedwetting', 'Sleep Bullying Dental Health', 'Growing Up Keeping Safe', and 'Support with Medical Conditions in School'. There is also a graphic of a smartphone with a question mark on the screen.

Class One - RNLI and Fire Engine visit

Class One had a visit from the RNLI on Thursday as part of their work on safety and special people in our community. They learnt about the boats, how to stay safe near water and how to float in the sea if they ever needed to be rescued

Class One - Learn to Ride

Class One have been really busy this week. On Tuesday and Wednesday they have learnt to ride their bikes safely. The instructor reported back that they all did an amazing job and are Tour de France ready.

In the afternoon, the Fire Engine visited and Class One met the firefighters, sat in the cabin and even had a go on the hoses.
