HOW TO STAY SAFE ONLINE

School Council Update

The newly-appointed School Council met last week and came up with a long list of suggestions to enhance our school and their experience at ABH. They then put these ideas to their classmates, who voted on their favourite ones. Together, the class councillors totted up the votes and settled on the three actions which are most important to pupils at our school. So, over the next term they plan to:

1. Improve our playtime offer, particularly sports available, by working closely with Play Leaders
2. Set up a system and rota for pupils to engage in litter picks in the local community
3. Work with Mr Pugh and Mr McGurk to give pupils the opportunity to help lead assemblies around our core values

Runner-up suggestions for future action were to get our school library back up and running, and look at ways we can offer more extra-curricular sessions linked to subjects the children enjoy.

It is really important to protect our children online. In school we have strong filters to protect the children and we also regularly discuss staying safe with the children. On Monday 20th November at 3:30 - we will have an online safety presentation by Lancashire Safeguarding. This is a great chance to learn all about the online world and how to protect your child. More information will follow after the holidays.

Imran from Bolton Mosque

On Tuesday 31 October we were visited by Imran from Bolton Mosque. He rounded off our RE topic on Islam with a presentation about the 5 Pillars of Islam, then worked in Classes 3 and 4 to learn more about praying and the Hajj to Mecca. It was a really informative session.
