Meet Our SUPERSTARS

Learner of the week: Really working on my reading

CLASS 1

Writer: Lily Atherton
Maths: James Kirkham
Learner: Axel Irving

CLASS 2

Writing: Mia Postlethwaite
Maths: Dolly Lloyd
Learner: Joshua Robinson

CLASS 3

Writing: Isla Grimshaw
Maths: Leon Hughes
Learner: Theo Bagguley

CLASS 4

Writing: Amalie Robinson
Maths: John Aziz
Learner: Jaxon Walsh

Great Events Coming Up

Next week is **Anti-Bullying Week**. On **Monday** we will be wearing odd socks so we all stand out and we will have some special assemblies and lessons.

Next **Friday** is **Children in Need**. We will join children across the country to have fun and raise some money. Everyone is invited to wear their PJs (or PE kit) for a donation and we will join Joe Wicks for some keep fit.

Team Points this Week

Senset : 1021

Washington : 891

Elf Run - Christmas Charity

St John's Hospice

This term, we will be supporting **St John's Hospice, Lancaster** with some fundraisers. On **Friday 8th December** the children will be given an Elf hat and will take part in a sponsored fun run around the track. Parents are invited to Celebration Assembly at 2pm and then to watch (and join in with) the fun run afterwards.

We will be sponsoring a tree at St Oswald's as part of the Christmas tree festival. Any donations will go to the hospice.

On **Thursday 21st December**, we will be having our usual Christmas lunch and jumpers day. The children usually bring in 50p or £1 for charity on that day. This year we will donate the money to the hospice.

HOW TO STAY

SAFE

ONLINE

It is really important to protect our children online. On **Monday 20th November at 3:30** - we will have an online safety presentation by Lancashire Safeguarding. This is a great chance to learn all about the online world and how to protect your child and everyone who attends will learn something new.

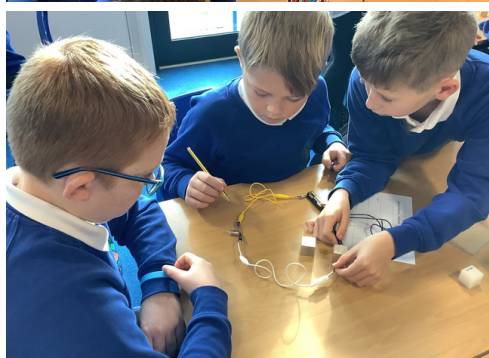

Class 3 - Making Coil Pots

Class 3 have been hard at work completing their art projects. They have been studying the structure of pots and artists who have made pots and vases. They experimented with play dough to create their own pots, then used a coil technique to form clay vases. Great work Class 3.

KS2 STEM activities

Over the past 4 years, we have worked with Dr Wise from Lancaster University to learn about the importance of Science, Technology, Engineering and Mathematics STEM. This year she visited Class 3 to set them a challenge - work in groups to create a parachute to save Jack when he jumps from the beanstalk. With Class 4 they looked at missions into space, creating vehicles to work on another planet.

A Time to Remember

This week we have been spending time thinking about the meaning behind poppies and Remembrance Day. On Wednesday, Mr McGurk led an assembly about why we stop to remember those who have died in conflict. We looked at the meaning behind the poppy and what the day means to people across the country. On Thursday, we watched a video, learnt about the cenotaph service and held a 2 minute silence. All of the children responded respectfully.

Thank You Mr Peacock

Many of you will know Mr Colin Peacock. Colin has been a Parish Councilor and a governor at Archbishop Hutton's for many years. Recently, Mr Peacock has retired from the governing body. We would like to say thank you to Mr Peacock for his long service. As a result of his dedication, he has been awarded a Special Recognition award from Lancashire Association of Governing Bodies.

Wheelchair Basketball

Everyone had a fun day on Friday, when Shaun Gash visited the school and taught us all how to play Wheelchair Basketball. Shaun last visited us last year and we had such a great time, we had to invite him back. As well as having fun, we all experienced what it feels like to take part in an exciting sport and learnt to push ourselves to achieve.

Community Planting at Croftlands

Last month, Classes 2 and 3 visited the Roods and planted wild flowers to liven the area up next Spring. On Thursday this week, Class 4 went to Croftlands to work with Cllr Sue Tyldesley and a group of volunteers to do the same. They all worked really hard, digging, planting and sowing seeds across the patch.

Below is a copy of Cllr Tyldesley's Newsletter, featuring Class 2 on their visit to The Roods.

Scholastic Book Fair Thanks

Thanks to everyone who bought books from the book fair this week. It was a huge success and the school got £200 of the takings to buy new books for classes. Thanks again!
