<p>CLASS 3</p> <p>Writing: Frankie Ashworth Maths: Evan Price Learner: Louie Taylor</p>	<p>CLASS 4</p> <p>Writing: Evie Bellinger Maths: Micah Raine Learner: Archie Alty</p>

Team Points this Week

- Senset : 902**
- Hutton : 887**
- Washington : 868**
- Crag : 1087**

Class 2 DT Super Races

Class Two had fun this week, as they raced the cars they made in DT. Working in pairs they learnt about how wheels and axels work. They also learnt about how a car needs thrust to move. The children made decisions thinking about the materials used to make the cars. They spent the afternoon racing each other to see who had the quickest car.

Lancashire Athletics Final

Members of KS2 took part in the final of the Lancashire School's Indoor Athletics this week. They travelled by coach to Blackpool and competed with 12 other schools. They were a great team and represented us brilliantly.

Crazy Comic Relief Fun

We had fun on Friday when we dressed crazy for Comic Relief. We had wild hair, backwards clothes, underpants on heads and lots of face paints. What a great way to enjoy the day and raise some money for charity. At the end of the day we had raised over £100 for Comic Relief.

Super Science Week

We had such a great time studying Science last week. The boxes the children brought in from home were amazing and we enjoyed sharing them. Many of them are now part of a permanent display in the school hall. We hope you will get a chance to look at them. On Friday, we had fun sharing our Science learning with our parents. Thanks go to all parents who were able to attend. We hope you learnt something and most importantly had fun.

Class 2 Ferris Wheel Building

After their super car races, Class 2 continued their DT work, looking at Axels and Wheels. Working in groups, with lots of help from parents, they created these superb Ferris Wheels. After the building, they went on display

Goodbye Mr Hellier

Class 2 are saying goodbye to PGCE student teacher Mr Hellier this week. Mr Hellier has had a great term with us and the children have enjoyed his enthusiasm and especially his exciting Music and DT lessons. All the staff and children wish him good luck with the rest of his training and for his future as a teacher.

Easter Bingo Fundraiser

Our annual Easter Bingo evening is coming up on Wednesday 27th March @ 6pm. This is always a fun night and is a really great fundraiser for school. Tickets can be bought on the night.
