Next Wednesday is our Annual Easter Bingo fundraiser. What a great way to end the Spring Term. Thanks to everyone who sent in an Egg as a prize - these were very much appreciated. Doors open at 6:00pm for tickets which are £5:00 for 3 games. There will be a tuck shop as well as squash and biscuits for all.

## Thinking about School Attendance

We wanted to say **well done to everyone** in school who has worked hard to keep their attendance high. **So far this year our average attendance is 96.3% which is wonderful.** It is well above the latest National average of 93.2%. It is vital that we keep this up in order for every child to make the best of their time in school. It might not seem much to miss a couple of days of school, but we all know what it is like to miss the first 25 minutes of a movie or the 3rd episode of a TV show and then try to work out what was going on in episode 4. This is what it is like for a child when they miss school. Days missed leave gaps in learning.

## Class 3 Leighton Moss Visit

Class Three had a great day out at Leighton Moss on Tuesday. They visited the bird hide and sky tower and used binoculars. They learnt about the wildlife, their diet and habitats.

# Cross Country Success

It was a very wet and chilly afternoon on Thursday when we met with Silverdale, Carnforth Community and Holme schools, for our annual Cross Country competition. The children ran in 8 races across the year groups and we won 12 gold, silver or bronze medals. In the end it was declared that we were the winners, for the fifth year running. A superb effort and despite the weather, everyone was amazing.

# Class 1 and 2 Air Museum Visit

This year, Class One and Two have been thinking about different types of flight. Class One have learnt about the Apollo astronauts travelling to the moon and Class Two have learnt all about the Wright Brothers and their experiments with flight. On Thursday, they visited the Air Museum in Carlisle to see some real aeroplanes close up.
