**Writing:** Bronson Pickup

**Maths:** Isla Grimshaw

**Learner:** Scarlett Gonter

### CLASS 4

**Writing:** Liv Andrew

**Maths:** Connie Lawrence

**Learner:** Reuben Dawson

## Team Points this Week

### Double Points Week

**Senset : 2598**

**Hutton : 3001**

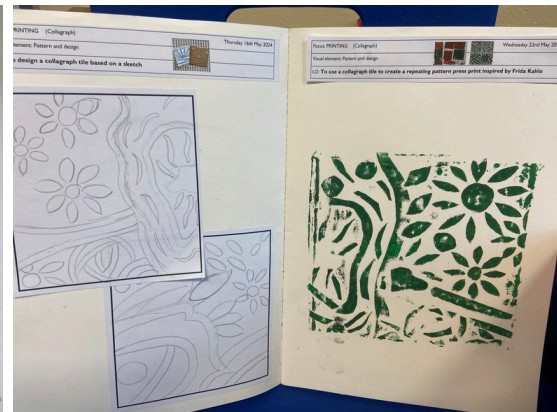

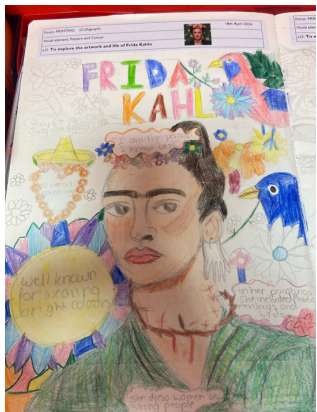

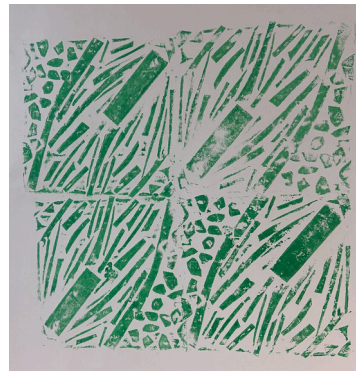

**Washington : 2626**

**Crag: 3003**

## Class 4 Mega Mexican Inspired Art

Class 4 have been studying the geography of Mexico and the art of Frida Kahlo this term. They took inspiration from some of the floral patterns in her art and have created their own tiles. They then used them to create some amazing repeated patterns. We are all very impressed.

## Geography Day and Sponsored Run

Today, we held our sponsored **Race Across the World** - running around the school grounds. As the children ran (or walked) they collected stamps in a passport aiming to reach the country they have been studying. We have been raising money for some new ipads. This afternoon, we welcomed lots of parents into school to share some of our work and newly learnt Geography knowledge. (more photos on the next page)

## Zoom Call From the Isle of Mull

As part of Geography day, Class Two had a real treat. They linked up with their friends on the Isle of Mull for a Zoom call. They had good fun meeting their new friends online, chatting about all manner of subjects, including ‘What is your favourite animal?’ ‘What trainers do you like?’ and ‘Who likes Haggis.’ What a great way to bring our learning alive.

## Warton Gardening Club Help Out

Great thanks are sent on behalf of everyone in school to the members of Warton Gardening Club. They braved the rotten weather on Wednesday to dig out and re-plant some of the raised beds up on the top field. They have planted some vegetables and the intention is for the children to take care of the beds once they are all ready. Hopefully, we will get many years of enjoyment from these. Thanks again.

## Whole School Cricket Coaching

We were really lucky to have the chance of a full day of cricket coaching this week. Everyone practiced bowling, catching and hitting skills and took part in some quick games. Despite the rain, everyone had a fun time in the school hall.

**Woodland Fun Day**  
 Dobshall Wood, Arnsdale  
 31st May 2024  
 11am - 3pm

Arnsdale & Silverdale  
 National Landscape

We have been asked to promote this fun half term activity. It is a free family fun day in the woods, exploring the woodland pasture at Dobshall wood. Expect activities such as den-building, nature crafts and lots of messy play!
