Archbishop Hutton's VC Primary School

a tree is known by its fruit

Archbishop Hutton's  
Primary School

## TEAM POINTS

Crag : 1195

Hutton : 1192

Senset : 1203

Washington : 1008

## BIKEABILITY

This term, our PSHE theme is Staying Safe. As part of that work, Year Six have been taking part in the Bikeability scheme. Over two days, the course teaches road safety and how to make sure your bike is safe to ride. As well as learning to ride carefully on the school yard, you may have seen them out on the mean streets of Warton. Well done Year Six. Next week, KS1 children begin their road sense training.

WELL DONE SENSET

## IMPORTANT REMINDERS

### September

Monday 20 Class 4 swimming lessons  
Wednesday 22: Class 4 go to Robin Wood  
Wednesday 22: Class 3 Light Up Lancaster trip  
Thursday 23: Class 3 Light Up Lancaster artist visit

### October

Thursday 7: Class 4 trip to Lake District  
Week of 11: Money Week  
Monday 11: New Parents Open Day @ 2pm  
Thursday 14: New Parents Open Day @ 9am  
Thursday 21: D.T. Invention Convention  
Friday 22nd: Half Term begins

**Every Tuesday:** PE with Mr Harris.  
Don't forget to bring your kit!

## SUPER LEARNERS

### Writing Superstars

- Class 1:** Mia Postlethwaite
- Class 2:** Owen Price
- Class 3:** Archie Alty
- Class 4:** Sarah Walls

### Mega Maths Heroes

- Class 1:** Bobby Bolton
- Class 2:** Oscar Hizzard
- Class 3:** Scarlet Gora
- Class 4:** Ava Bayman

### Learner of the Week

- Class 1:** Lily Parnell
- Class 2:** Cameron Slaughter
- Class 3:** John Aziz
- Class 4:** Katrina Wilkinson

## Open Day for New Parents

School will be holding two open day events for anyone who is hoping to send their children to Archbishop Hutton's in September 2022. If you know anyone whose child will be at Reception age next year - please alert them to the dates.

Monday October 11 @ 2pm and Thursday 14th October @ 9am.

## COME AND JOIN THE PTA

The school PTA will be holding the first meeting of the year, in the school hall, next Thursday at 6pm. The PTA works hard across the year, raising funds and having fun in the process. In recent years, their focus has been on our massively successful Big IT Drive, buying new computers, a server, classroom screens and laptops. If you would like to come along and find out more, you are very welcome.

## Covid Management Plan

The Government has made it a national priority that education and childcare settings should continue to operate as normally as possible during the COVID-19 pandemic. There is emphasis on the serious impacts of having missed education during the pandemic for young people.

The DfE's published COVID Contingency Framework states that schools should have an "outbreak management plan", outlining how they would operate if any of the measures described in the guidance were recommended for their setting or area.

Our plan - alongside our Covid19 Management Risk Assessment will be published next week on the school website. Please read them. As we stick to Government guidance, we will do all that we can to keep school completely open. However, it may be necessary to implement these measures in the following circumstances, for example:

- To help manage a COVID-19 outbreak within the school
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)

We will only implement some, or all of the measures in this plan in response to recommendations provided by our local authority (LA), director of public health (DsPH), Public Health England (PHE) health protection team or the national government.

**How Can We Prevent Bubbles, Isolations and Closures?** If we all work together we can make sure that Coronavirus stays out of school and everyone can remain in class, working and learning. In school we are encouraging hand washing, keeping our germs to ourselves and telling adults if we are feeling unwell. If you have any suspicion that your child or anyone at home may have Coronavirus, please keep them off school, monitor them and get a test. Let us know what is happening and we will do what we can to support you.

## Westmorland Show Success

Several of our children had success last week, showing animals at the Westmorland Show. These two KS2 superstars won prizes for their handling skills, showing sheep - Innocent and Ronald. Well done to everyone who took part and well done to Ronald who later enjoyed a treat - eating the ribbons off the end of his rosette!

## School Council 2021-22

School Council have held their first meeting with Miss Massaro and Mr Pugh. Together, they looked at the Surfers Against Sewage website and discussed ideas for this year's social action project, aimed at keeping Warton litter free and encouraging school and local businesses to become more plastic aware.

**The 2021 - 2022 School Council members are:** Cameron, Amelie, Jessica, Abi, Evie, Duncan, Jorgie, Tirion, Kacper, Mya, Alistair

# What is our Vision? a tree is known by its fruit

This term we are launching our new school vision statement. The statement was worked on in 2020 - in consultation with parents, governors, staff and children. Being a church linked school we have chosen a suitable phrase which we feel sums up what we are doing at Archbishop Hutton's. It is a statement of intent - explained in the three statements of vision

In the gospel of Matthew, Jesus tells us that **a tree is known by its fruit.**

This is what we strive for as a school; the hard work we put into growing great young people and the way in which this bears fruit in their successes - both now and in the future.

By actively promoting children's spiritual, moral, social and cultural development with a strong focus on Christian values, we fulfil our vision by:

promoting the traditional values of respectful behaviour, responsibility and forgiveness, we prepare our children for life in a global, multi-faith society.

supporting all children to become independent thinkers and confident learners, we encourage curiosity, ambition and individuality.

providing focused, engaging and inclusive teaching we equip the children to lead their own learning in a supportive and challenging environment.

# Values and Assemblies

## LEARNER OF THE WEEK

**Being a thoughtful contributor**

listening, hands up, answering clearly, behaving brilliantly

**WRITING SUPERSTAR**  
**MEGA MATHS HERO**

**THIS TERM WE ARE THINKING ABOUT**

## TRUST IS...

Taking someone at their word

Relying on someone to support you

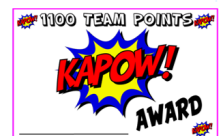

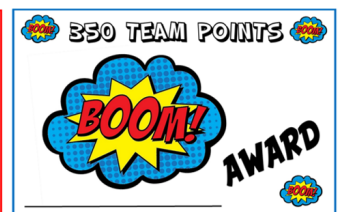

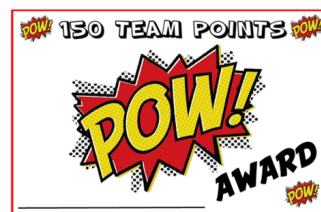

Unbreakable promises

Showing that you can be trusted

Treasuring good friends

## Rewarding Effort

This year the children will be earning team points in class for all of their hard work and effort. In assemblies this week, we looked at the idea that:

**Best Effort = Most Reward**

Team points are awarded for excellent work, wonderful attitude, great listening, thoughtful behaviour and caring for our friends and our school. This year the children are aiming to collect all eight of our Super Hero - Super Points awards. **The first award is POW! - worth 150TP**
