

## Meet Our SUPERSTARS

Learner of the week:

Having a wonderful Can Do attitude!

### CLASS 1

**Writing:** Daisy Reid  
**Maths:** Oliver Postlethwaite  
**Learner:** Lola Turner

### CLASS 2

**Writing:** Rowan Taylor  
**Maths:** Bobby Bolton  
**Learner:** Millie McGrotty

### CLASS 3

**Writing:** Elsie Hill  
**Maths:** Cameron Slaughter  
**Learner:** Bronson Pickup

### CLASS 4

**Writing:** Connie Lawrence  
**Maths:** Liv Andrew  
**Learner:** Year Six

## Year Six Entertain the School

You can always tell we are near the end of the school year when it is Year Six play time. They have been working really hard for the last month - rehearsing their lines, moves and songs. What a performance they gave for the school and then all their families. Well done to Mr McGurk, Mrs Stocks and all of Year Six. (more pics later)

As we mentioned last week, Mrs Stocks and Mrs McKinley will be leaving us at the end of this term. Mrs McKinley has decided that the time is right to retire. Mrs Stocks has a new job, still working in education. We wish them both well for the future and will be saying goodbye to them at our Celebration Assembly, next Thursday at 9:00am.

# Important Dates

### July

- Monday 15:** Reports home to parents
- Thursday 18:** Most Improved Assembly (9:00)
- Friday 19:** Leaver's Service and end of term (2:00)

### September

- Monday 2:** INSET DAY
- Tuesday 3:** INSET DAY
- Wednesday 11:** Water Awareness Day - KS2
- Thursday 12:** Westmorland Show - KS2

## Team Points this Week

Senset : 856

Hutton : 1023

Washington : 1100

Crag : 867

## Super Results Across the School

On Tuesday, we received this year's SAT results. They are displayed in this table:

	SCHOOL	NATIONAL
READING	88%	74%
WRITING	82%	72%
MATHS	76%	73%
GPS	82%	72%
COMBINED Read, Write, Maths	64%	61%

We are delighted with these scores as they show an increase from the last two years and we are above the national average in all areas. They also highlight the hard work of the children and all of the staff who have taught them across school, especially Mr McGurk, whose hard work in the last two years has ensured the children's success. We are also delighted that our 93% of our Y1 pupils achieved their Phonics level and all of Y4 scored either 24 or 25 (out of 25) in their multiplication assessment. These results round off another great year for our school. Well done!

## Year Six Entertain the School

## Exciting Den Building Fun

Class 2 and 3 had fun on Monday, learning to build dens. They were taught survival skills and learnt how to build a shelter good enough to keep them warm and dry.

## Class Four Creative Art Day

Year Five spent Friday making slab pots based on the art and culture of the Maya. All term they have been studying these fascinating people from Mexican history, learning about their lives, beliefs and culture.

## Class Two Nature Creative Day

Class Two had a mental health, wellbeing day on Friday, exploring nature in the local area. They went on a nature walk around Warton and visited the Roods. They collected natural items and brought them back to school to make collages.
