October

Tuesday 8: KS1 Science Show and workshop

Year 2 and 6 Fire Service visit

Wednesday 9: Lancaster Uni STEM day - Class 4

Thursday 17: Wheelchair Basketball event

WELCOME BACK!

Welcome back to a new year at Archbishop Hutton's Primary School. It is great to see all the children in their new classes and after just two days it is like we have never been away.

We have lots of different things lined up for the children between now and Christmas. Next week, Class 3 and 4 are off to the Westmorland Show for the day. That is always a great day out. We have some visitors already booked in. KS2 have staff from Brockhole on Windermere visiting to discuss the importance of water, KS1 have a Science group coming in to put on a science show and Shaun Gash the Wheelchair Basketball player will spend the day with us in October. As well as these, Class 2 and 3 will be starting weekly tennis lessons from next Tuesday.

As we get closer to Christmas, there will be our Nativity play, Panto visit and Christmas Fair. We are also planning a Carol afternoon at St Oswald's. This year we also hope to repeat the sponsored run for St John's Hospice.

As always, we will be very, very busy and we look forward to seeing you in school, sharing some of the activities with your children.

Brilliant Birds Awards

Every year we reward children when they earn team points. When they achieve set numbers of points they receive a certificate and award in Celebration Assembly. This year we will be aiming to earn our Brilliant Birds awards. The first award is the Robin award for 150 points.

Meet your child's teacher

If your child has just joined our school, or they have moved on to a new class, you may want to meet their new teacher and see their classroom. **On Monday 9th September** at 3:30 - 4:15, there is an opportunity for you to pop in and say hello - if you would like to. This is a very informal session and the teachers are available to say hello and answer any questions,

Knowing our Strengths

the WORLD is
FULL OF
WONDERFUL
PEOPLE
doing wonderful
things.

This half term, we will be looking at amazing people in our assemblies. We will be thinking about their actions and beliefs, then thinking about what strengths they used - such as creativity, forgiveness, kindness and generosity. We will think about how we can use these strengths in our lives.

Harvest Foodbank Collection

On **Friday 20th** we will be having a collection for the foodbank. This will be part of our celebration of Harvest time, when we give thanks for our food. Everyone is invited to our Harvest Assembly at 2:10pm.
