# Water Workshop Visitor

On Wednesday 11th we were visited by Louise from United Utilities and Lake District National Park. She came to Classes 3 and 4 spoke about water use. We thought about how much water we use everyday, how we can save water and what we should or should not put in the toilet. It was a very informative day that gave everyone a lot to think about.

# School Council Elections

Next Wednesday, we will be having our School Council elections for 2024 - 2025. Children have applied for the position and have presented their ideas to their class. On Wednesday the children will take part in a real life election, just like adults do to choose their council.
