Class 4 Cornet Lessons

Class 4 have kicked off the term with the first of their cornet lessons. After some of us struggled to get a sound from our instruments, everyone was soon having a good go. With plenty of practice at home (sorry!) and in class, we should be in for a bit of a performance by the end of the term.

New Members Needed

Every year, family members give up their free time to help organise fund raising events for school, such as Christmas Fair, Fun Runs and Easter Bingo. Without their work, we would not have new ipads, the computer suite or reading books. New members are welcomed and the first meeting is in school on 3rd October at 6PM.

Delighted with Good Ofsted report

We are very pleased to announce that OFSTED say that **Archbishop Hutton's remains a GOOD SCHOOL.**

We were visited by Ofsted in July, during the last week of term. The inspectors were very fair and looked in depth at Maths, Reading and History, SEND and Safeguarding. They spoke to lots of children across the day about reading, behaviour, their work and the values we teach. They were very impressed -

- Pupils are proud to attend this school. They appreciate how well staff know them and their families. This helps pupils to feel happy in school
- Pupils understand the high expectations that the school has for their success. They are focused and keen to do well in lessons. Pupils enthusiastically describe what they have learned at this school. For example, they have a secure understanding of why it is important to respect the differences between people.
- Pupils at this school are confident and articulate. They behave well and treat each other with respect. The school has high expectations for pupils' behaviour and ensures that those who meet them are rewarded for their efforts
- Pupils receive high-quality and ambitious teaching.

We'd also like to thank the parents who completed the parents survey and gave us such a positive review.

Please take time to read the full report, which has been emailed to you all and is on the Ofsted website.

It is time again for us to celebrate Black History Month. During the week of the 28th October, children across the school will be learning all about various aspects of Black History in Britain and across the world. KS2 will be looking at the Slave Trade, specifically Lancaster's links to the this part of History. KS1 will be learning about diversity and thinking about some famous people and their contribution to society.

On Friday November 1st, we will have a celebration afternoon in school, where parents and family are invited to share the children's work.

Like last year, we are having a competition for the children. They can choose a famous British person and create a poster, model or booklet about them. They could choose a few famous black sports stars and make some top trumps of they may like to create a scene celebrating their achievements in a box (like we make in Science week)

Below is a list of some famous British people of colour, to provide some inspiration. There are plenty of ideas online too.

We hope everyone will take part and make this a great week to remember.

Lewis Hamilton	Shirley Bassey	Sade
Marcus Rashford	Seal	Floella Benjamin
Daley Thompson	Jamelia	John Barnes
Stormzy	Leigh - Anne Pinnock	Alex Scott
Mary Seacole	Ian Wright	Olaudah Equiano
Malorie Blackman	Nicola Adams	Jess Clarke

Alesha Dixon	Dina Asher Smith	Courtney Pine
Ade Adepitan	Sir Lenny Henry	Dr Maggie Aderin Pocock
Tessa Sanderson	Idris Elba	Arlo Parks

NSPCC Kindness Challenge

We are delighted to be supporting **Childline** by taking part in the **NSPCC Kindness Challenge** this October. By supporting the Kindness Challenge we're helping to power Childline. Childline is there for all young people online, on the phone, anytime. On average, a child contacts Childline every 45 seconds.

Our Kindness Challenge

We'll be spending a week creating more kindness in our school community by working through a list of kindness acts.

Fundraising

We ask that children bring a donation next Friday of £1:00 to support the work of Childline and the NSPCC. In return, they can wear their own clothes for the day.

This donation also allows the NSPCC to provide us with great resources which help to keep our children safe such as Speak out. Stay safe. Which we deliver to the children each year.

Breaking Bread Servers

We put a lot of importance on serving and helping others. The children of Class 3 have started their service this week, helping out at the Breaking Bread lunch for seniors at St Oswald's. They did a great job.
