Archbishop Hutton's Primary School

Archbishop Hutton's are looking for
some new Governors

Governors make a real difference to the
children at the heart of our village.

They ensure that the school is well run,
and they help school be the best that it
can be.

Pledging to be kind to others

This week and next, we are focusing on being kind. The NSPPC have set schools a Kindness Challenge and we have been thinking about other's feelings and how we can be nicer to everyone. We have made kindness pledges and had a non-uniform day to raise money for Childline. We look forward to carrying out our Kindness Pledges next week.

Third Place in Aquathon Event

Pupils from Class Four represented the school at the local Aquathon event on Wednesday 2nd October. The children had to swim 60m, get out of the pool and run 400m. The event featured 18 schools, making up two local clusters of nine. We were third in our cluster - winning bronze medals. A big well done goes to Scarlet Gora who was 4th overall out of 90 competitors.

Celebrating Black History Month

It is time again for us to celebrate Black History Month. During the week of the 28th October, children across the school will be learning all about various aspects of Black History in Britain and across the world. KS2 will be looking at the Slave Trade, specifically Lancaster's links to this part of History. KS1 will be learning about diversity and thinking about some famous people and their contribution to society.

On Friday November 1st, we will have a celebration afternoon in school, where parents and family are invited to share the children's work.

Like last year, we are having a competition for the children. They can choose a famous British person and create a poster, model or booklet about them. They could choose a few famous black sports stars and make some top trumps or they may like to create a scene celebrating their achievements in a box (like we make in Science week)

Below is a list of some famous British people of colour, to provide some inspiration. There are plenty of ideas online too.

We hope everyone will take part and make this a great week to remember.

DT - Fabulous Food Tasting Feasts

Children across the school, have been working hard on their DT projects this week. Based around our Science work on healthy eating, they have tried lots of foods and have thought about what they enjoyed and what they found a challenge. Class One have been making fruit kebabs. Class Two made tasty Wraps and Class Three have been looking at seasonal foods. Class Four are planning three course Come Dine With Me meals, which they will be cooking soon.
