Meet the School Council

Our School Council have been meeting and have been coming up with lots of ideas to raise money and awareness. Miss Hughes has been very impressed with their sensible attitudes and mature approach. In two weeks time they will be raising money for Children in Need.

The Book Fair is all next week - in the hall after school. Hope to see you then.

Well done to

Class 4: 98.8%

Learning about the Slave Trade

Class 3 and Class 4 have been learning about a very interesting part of History this week as part of our celebration of Black History. They have studied Lancaster's part in the international Slave Trade during the 1700s and 1800s. It is a difficult topic to understand but the children have worked really hard and listened with care and attention. We visited Lancaster, following the Slave Trail and visiting the Maritime Museum.

Home Learning CHALLENGE

This week we have been celebrating diversity and looking at the amazing heroes of history that do not always feature in our curriculum. Class 1 have been learning about Mae Jemison, the first black female astronaut. Class 2 have learnt about famous people who have made an impact, such as TV presenter Floella Benjamin. Classes 3 and 4 have learnt all about the transatlantic Slave Trade and its links to Lancaster. Children across the school have also produced some fantastic Home Learning. Have a look at some of these fantastic efforts.
