## This week it was MONEY WEEK

This week, it has been Money Week in school. Following an assembly on Monday, we have been thinking about earning, saving and spending money.

Special lessons looked at money skills and job opportunities to widen children's ambition and understanding. Maths lessons looked at how we can use the Maths skills we have been learning to become more money confident. Class One had a great time in their farm shop, buying and selling and counting all of their money. Well done to all!

## WELL DONE HUTTON

## Fantastic Football Result

The Year 5 and 6 girl's football team had a wonderful afternoon out at the local school's competition. The first match was a close 1-2 loss to Caton St Pauls. However, instead of their heads going down, they pulled together and beat Nether Kellett 2-0. In the third game they were held to a 0-0 draw by Our Lady's. After that game, and a quick team talk, we worked out that we only needed to draw for a medal and a win would leave the team in first or second place.

In a thrilling final game, against Christchurch, the girls won 3 - 0. This meant that they were second over all and were presented with magnificent silver medals. Well done ladies - you were all superstars!

## Request for wet gear

The weather is changing and that means that all of us need to be dressed for the weather. We are asking for donations of the following:

- Water proofs for Class 1 - all in one or separate waterproof trousers and jackets. Sizes - Age 5 to 6. If you have any that your children have grown out of, please send them in to school.
- Wellies for the same age group so we have a set of spares.
- Any used rucksacks for school trips. Sometimes children come to school with just a carrier bag which is not great for a day out. With a set of rucksacks we could help out those who don't have one of their own.

## SHOE BOX APPEAL

The School Council have decided that we will be working with Boxes of Hope - Cumbria to help with their annual Christmas Shoebox Campaign. This campaign supports underprivileged children in Romania and provides them with a Christmas gift. Despite the obstacles that Covid-19 put in the way, last year's campaign was a great success and the charity sent more than 7,606 shoeboxes to Romania. If you want to take part - ask Mr Pugh for the leaflet with more information and follow the tips to make a great box for a child.

### What to do...

- Obtain a small or medium sized shoebox (NO BOOT BOXES PLEASE!) and wrap the lid and the box separately with bright paper. Maximum size: L30cm x W18cm x H11cm
- Fill the box for a child aged between 3 and 14 with items from the list below - a mixture of fun and practical items: We do not specify any age groups, as our experience, when distributing the boxes, has shown that it is impractical to match these up correctly. However, families tend to be large, so swapping and sharing take place.
- Complete the donation form overleaf - please consider gift aid if you are a taxpayer, as we can claim an extra 25% on your donation (£2 becomes £2.50).
- Put the form and your £2 donation - cash or cheque - in an envelope. Place **on top of** the items inside the box.
- Cut out the boy or girl label and tape it on the outside of the lid, securing the box with a stout elastic band.
- Take your box to one of our Drop-off locations NO LATER THAN 12th NOVEMBER. (The boxes travel overland to Romania and have to leave by mid Nov).

## Class Three Fun in Morecambe

Class Three had a great time in Morecambe on their Geography Trip. They explored the prom, looked at the shops and buildings and compared it to what is available in Warton and Carnforth. After, a lot of walking and posing with Eric, they enjoyed a seaside treat - a delicious ice cream.

### What to put in the box...

- A selection of toys and games such as a ball, car, doll, skipping rope, yo-yo, dominoes (sturdy toys please as these children are not used to toys and have little manual dexterity).
- Sweets (use by date at least March of next year).
- Notebook, colouring book, pen, crayons, pencils, rubber, ruler, pencil sharpener.
- Hat, scarf, mittens or gloves, a pair of socks.
- Soap and a facecloth, toothbrush, toothpaste, hair brush/comb, hair accessories.

### Please don't put in...

- Food (except for sweets), medicines, aerosols, liquids (shampoo, shower gel, bubbles), glass or fragile items, sharp items (knives, scissors, needles).
- War related toys (guns, tanks, soldiers), novels.
- Playdough, plasticine, loom bands

## Uniform Reminders

### Just a few uniform reminders.

- Please can we remember to tie long hair up. This is important for health and safety reasons but also for hygiene.
- Black shoes only please - by this we mean black flat shoes for girls - no big boots please. If we are wearing trainers please make sure they are as plain as possible.
- During PE we only wear the school team t-shirts please. If you don't have one or can't get one come and see us - we may have some spares.

Thank you for your help with this

## Covid Management Plan

The Government has made it a national priority that education and childcare settings should continue to operate as normally as possible during the COVID-19 pandemic. There is emphasis on the serious impacts of having missed education during the pandemic for young people.

The DfE's published COVID Contingency Framework states that schools should have an *Outbreak Management Plan*.

Our plan - alongside our Covid19 Management Risk Assessment is published on the school website.

The rules on us dealing with single confirmed cases has changed since August and although we no longer need to inform classes or bubbles of a single case, we will alert parents of direct contacts (48 hours or less) of anyone testing positive and allow all concerned to make the decision to get a PCR test as appropriate.

**How Can We Prevent Bubbles, Isolations and Closures?** If we all work together we can make sure that Coronavirus stays out of school and everyone can remain in class, working and learning. In school, we are encouraging hand washing, keeping our germs to ourselves and telling adults if we are feeling unwell. If you have any suspicion that your child or anyone at home may have Coronavirus, please monitor them and get a test. Children without symptoms do not need to self isolate if someone at home or in their class is positive. If they do show symptoms - please get them tested as soon as possible. Let us know what is happening and we will do what we can to support you.

## What is our Vision?

### a tree is known by its fruit

By actively promoting children's spiritual, moral, social and cultural development with a strong focus on Christian values, we fulfil our vision by:

promoting the traditional values of respectful behaviour, responsibility and forgiveness, we prepare our children for life in a global, multi-faith society.

supporting all children to become independent thinkers and confident learners, we encourage curiosity, ambition and individuality.

providing focused, engaging and inclusive teaching we equip the children to lead their own learning in a supportive and challenging environment.
