## News from St John's Hospice

Back in December, we took part in the Reindeer Rush for St John's Hospice. This week, they sent us this message:

In December, we had 71 schools, nurseries, and childcare providers from across our community joining in the festive fun, with 14,137 of the cutest reindeer recruits donning their antlers and completing a sponsored run for St John's Hospice. We are absolutely thrilled to reveal that, together, we have now raised an INCREDIBLE £62,076.41! WOW! We are completely blown away by this total and want to extend our thanks to YOU and all the schools, nurseries, and childminders who participated, every child that took part and every person who supported this event by sponsoring a child.
