## Fun Activities this term

BRITISH  
SCIENCE  
WEEK 2025

**Super Science Week is next week.** There are lots of ideas for joining in on the next page of the newsletter. Please come for an afternoon of fun on **Friday 14th at 1:30pm**

**Comic Relief is on Friday 21st.**

We will be dressing daft again to support this charity day. Back to front clothes, face paint, crazy hair. Have fun.

# COMIC RELIEF

It's **Easter Bingo** time again. This year we have our own **clothes day on Friday 28th March** - bring an egg for the Bingo. The Bingo itself is on **Thursday 3rd April @ 6:15pm.**

School ends for the holidays on **Friday 4th April.** On that day, everyone can bring along a decorated egg to take part in our eggcellent competition. Have a look at some ideas from last time on the next page.

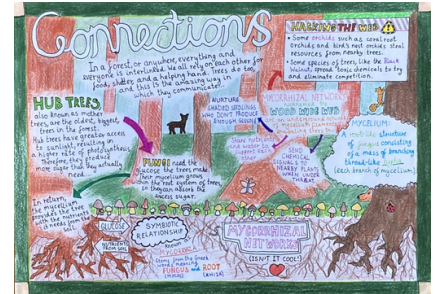

7 - 16 March

BRITISH SCIENCE WEEK 2025

# Lots of Science Project ideas

The week commencing 10th of March will be Science Week in school. Across the week, we will be throwing ourselves into various scientific investigations and activities. On the afternoon of Friday 14th, parents are invited to school to join their children for some science based fun.

We'd like the children to create an amazing poster or model to explain a science process or how something works. There are lots of ideas here and many more online. Look at the *Science Sparks* website, *Mombrite* website, *Planet English* on Youtube or just search *Science Models and Posters KS2* on Google.
