Science Week Fun

BRITISH
SCIENCE
WEEK 2025

We have been celebrating the wonder of science and scientists this week. In assemblies, we learned about female heroes of STEM who have made some of the most important discoveries. We have all learnt about our teeth and how to keep them clean. Class 4 have been exploring forces, Class 3 are investigating sound and Class 2 are thinking about the world of materials. On Friday we looked at the amazing work produced at home.

Team Points this Week

Senset : 1017

Hutton : 1040

Washington : 980

Crag: 955

Meet Our SUPERSTARS

Learner of the week:

Treating other people with lots of respect

Whole School: 95.3%

Well done to

Class 3: 96.5%

Class 3 and 4 Football Success

Our girl's football team played a blinder this week, coming second in the local school's football competition. Well done girls!

Fun Activities this term

Comic Relief is on Friday 21st.

We will be dressing daft again to support this charity day. Back to front clothes, face paint, crazy hair. Have fun.

COMIC
RELIEF

It's **Easter Bingo** time again. This year we have own **clothes day** on **Friday 28th March** - bring an egg for the Bingo. The Bingo itself is on **Thursday 3rd April @ 6:15pm.**

Amazing Science Project

We had a great Science filled day on Friday 14th March. Everyone who had completed a Science project at home brought them in for a massive show and tell in the hall. We had murmerations of starlings, nerves and skeletons, digestive systems, electric circuits, volcanoes, robotic hands, vehicles and many other amazing efforts. Well done everyone!

Easter Egg Design Ideas

On the last day of term we have our Easter Egg competition. Here are a few ideas from last time. We look forward to seeing your designs this year.
