***Happy New Year! Wishing you all a happy and successful 2020!  
Let's Be Historians!***

***This half-term, our curriculum focus is history. Class 1 and Class 2 are exploring space, particularly man's first landing on the moon in 1969. Class 3 are learning about the Romans with a focus on the conflict between Romans and Boudicca. Class 4 are becoming Stone Age experts learning about life in prehistoric Britain. Ask your children more about what they are learning!***

**Parent Teacher Meetings will be  
on Thursday 16<sup>th</sup> January.**

**Remember to book your appointment times on the school  
website.**

**Any new parents who are unsure what to do should contact Mrs  
Robinson who will offer assistance.**

**While I appreciate that parking around our school is very limited, I am very disappointed to hear that some parents have chosen to be abusive to the landlady about parking in The George Washington car park while a lorry was trying to make a delivery. Warton was not designed to accommodate all the cars that travel through and park in it so drivers need to be more patient and tolerant. I encourage parents to park safely and sensibly without obstructing local residences and businesses or preventing them from their day to day activities.**

**Miss Watson**

**ONLY 5 DAYS TO GO!**
