## Covid19 Precautions

As we get closer to Christmas we need to be really cautious about Covid19. We have had a great week this week with very high attendance. That is very positive but please keep an eye out for any coronavirus symptoms or sickness and make sure you get a test if you are unsure.

Let's work together to make sure we keep everyone safe and give ourselves the best possible opportunity of a healthy Christmas.

## An Interactive Christmas Story

Several children from Classes 2, 3 and 4 have been involved in a special Christmas project with St Oswald's Church. They have recorded themselves reading the Christmas story. The recordings are linked to a poster trail around the church which used QR codes to link to videos where the children tell the story. (It sounds complicated but it is quite easy if you have a phone) If you visit the school website and click on the Collective Worship button, you can watch all of the videos by following the links. Why not go along and see this great project and listen to our children's narration.

## Welcome

Around the church you will find 10 posters which take you on a journey from angel Gabriel's visit to a very surprised Mary, all the way to the birth of Jesus.

On each of the posters, there is a QR code which, if you have a smart phone, will take you to a video narrated by children from Archbishop Hutton's Primary School and our Junior Church, along with a short prayer and some music.

Each stop on your journey lasts no more than 3 minutes

You will also find extra QR codes dotted about, to let you hear more of our wonderful Youth Choir.

At the last stop you will be able to download some Advent activities.

If you don't have a smart phone, the posters themselves will be your guides.

We hope you enjoy your Advent journey!

Many thanks to all who have helped make this project, including:  
The children and staff of our schools  
Our Junior Church  
Our Youth Choir  
Gillian Turner  
Members of our congregation

Thanks also to:  
www.christianbase.com and www.engageworship.org for allowing us to use their videos  
Artwork on the Advent journey posters is by Jill Kemp and Richard Gaultier (www.illustrations.co.uk) and kindly provided free of charge by www.freebibleimages.org  
Some prayers are adapted from 'Sundays and God's' by Ruth Burgess

Amen

**Don't forget to book your place on the Parent's Evenings on Thursday January 13th 2022.**

The only way to book is on the School Spider App. Make sure you don't double book yourself too. It is important to meet your child's teacher to discuss their progress this term.

# SUPER NATIVITY PERFORMANCE

Wow! What a great show we had on Tuesday 7th December at the Methodist Church, when Class 1 and 2 (and some of Class 3 and Class 4) wowed us with their production of The Inn-spectors. Everyone was very clear, speaking loudly enough to be heard at the back of the hall. The singing, assisted by Classes 3 and 4, was tuneful and energetic. Lots of praise is deserved for such a great job but also big thanks is needed for all of the Key Stage 1 staff who have put so much hard work in to get the show on the road.

## WELL DONE EVERYONE!
