Dear Parents/Carers,

It is with very mixed emotions that I write to inform you that yesterday our Headteacher, Sarah Watson has been appointed to a Headship in Colne. Sarah's appointment is richly deserved and I hope her new school fully understands what an exceptional Headteacher they will have from September. We wish her congratulations and every success in her new venture but are equally devastated to see her move on.

Sarah has been the mainstay of our school for three years. During this time she has led the school to success in OFSTED inspections, curriculum development, school reorganisation and a strong upward trend in results. Much of this is a direct result of her amazing work ethic, her energy and her exuberant personality which has been experienced by pupils, staff, parents and governors throughout her time with us. Her educational philosophy has placed all pupils in our school at the centre of learning opportunities which will encourage them to develop and grow. She has always demanded high standards from staff and pupils, consistently giving the highest possible commitment herself. We will miss her.

In the light of today's events the Governing Body will shortly begin the recruitment process to secure a substantive Headteacher for September. We will keep you informed of this process as it develops.

Kind regards,

Mary Jackson
(Chair of Governors of Archbishop Hutton's Primary School)
