YEAR FIVE - BIKEABILITY

Year Five have been working hard this week to earn their Grade 2 Bikeability award. Riding their own bikes, they have carried out various safety exercises and learnt how to ride safely on the mean streets of Warton. Well done Y5 - this is a very important life skill.

FUNNY
IS POWER
18 March 2022

What a great time we had last year, dressing up for Comic Relief. We came to school with funny hair, funny faces or funny clothes and helped to raise money for this great cause. **This year we will be doing the same. You can make your hair crazy, paint your face or wear odd, backwards or even someone else's clothes.**

Next week, Mr Pugh will be running **Comic Relief Raffle** for the children so they can have the chance of winning a basket of Comic Relief goodies. This raffle is only for the children (sorry parents!) and if they would like **to buy a ticket, they will be 30p each (they can buy more than one) and will be on sale all through Comic Relief week.**

Let's have a day of fun and raise some money for this worthy cause.

UKRAINE FUNDRAISER UPDATE

Thank you to everyone in the school community who contributed to our Ukraine appeal last week. We raised a total of **£320** - which was boosted to **£400** with gift aid added on.

NEW TOOLS FROM MORRISONS

It is always nice to receive a gift and even better when it is something very useful. Thank you to everyone who registered for the Morrisons free tools for schools in the Autumn term. We have been sent all of these gardening tools which will be put to great use over the Spring and Summer months.

EASTER BINGO FUNDRAISING EVENT

The School Council have been hard at work this week, making posters to advertise the PTA Easter Bingo. Coming up on Wednesday 30th March, this event is always hugely popular and gives you the chance to win lots of chocolate. Mrs Robinson will message when tickets are available.

KEEPING US SAFE - COVID19

As you know, we have had quite a few children off with Covid19 before half term.

The government's current advice is: *Until 1st April, we will still advise people who test positive to stay at home.*

Here is our current guidance:

- Parents of children who are classed as medically vulnerable or who live in a household with an immunosuppressed adult are encouraged to contact their GP to discuss/arrange vaccination.
- If your child has Covid symptoms, however mild, keep them home and inform school; LFT (Lateral Flow) test. If positive they should self isolate.
- Keep school informed if your child tests positive on a LFD or PCR test
- If your child is a close contact with a positive Covid case we will let you know so you can monitor symptoms and test for Covid.

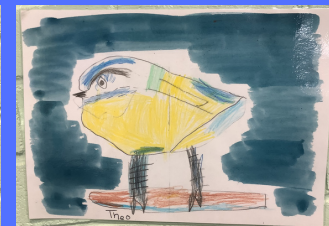

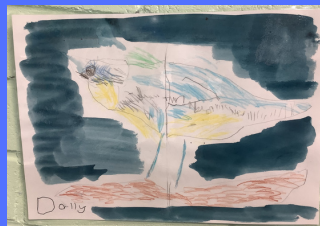

Thank you for your part in keeping everyone safe.

CLASS 1 - EXPLORE NATURE

Class One have been hard at work exploring nature around school. They have been learning about different species of birds and made bird feeders to hang from the trees. They have worked with a local artist to learn how to create realistic animal portraits. Here we can see some of their superb pencil sketches of blue tits.

Class One have also been exploring how seeds grow. They have put broad beans in pots and are taking it in turns to look after them, watering everyday. There has been much excitement this week as roots and shoots have started to appear.
