This week's update

In school, both children coming back to school for the first time as well as those who are already here, have settled in well to our three Bubbles. Check out the latest blog with both the ABH podcast no. 2 and photos of life in bubbles this week.

Meanwhile at home, Mrs. Barclay and Mrs. Gavriluk have started running zoom chats with children. The children have been organised in to small groups of between 7 and 11 with children from their own class. Mrs. Barclay and Mrs. Gavriluk's role is to facilitate chats between children as we understand that connecting with their peers is important. If your child wants to take part in zoom chats for the first time next week please check the information on page 2.

In the House of Commons on Tuesday, the Prime Minister made it clear that 'primary and secondary education will recommence in September with full attendance.' Headteachers and governing bodies are now waiting for the government to provide updated guidance about how they intend for this return for all pupils to happen. Plans for September cannot be finalised until government guidance is available. As soon as we have further information we will share this with parents.

**Listen to this....
the ABH PODCAST no. 2**
Following the success of last week's first ever school podcast, the second podcast will shortly be available on a blog. Enjoy listening and let us know what you think of it!

Zoom Chats

Parents can find the Zoom Chat information on a new page called 'Home School Zoom Chats' in class pages on the school website. Next week's Zoom Chat timetable is now available.

It is essential that parents give their consent for children to take part in these zoom chats and that they supervise their child by staying in the same room during the zoom chats. A copy of the consent letter is available on the Home School Zoom Chats page. If you have not done so already please email your consent to bursar@archbishophuttons.lancs.sch.uk

These zoom chats are very much focused on children. When parents want to contact the teacher they should do so by emailing them.

The teachers' email addresses are:

mrsbarclay@archbishophuttons.lancs.sch.uk

mrmcgurk@archbishophuttons.lancs.sch.uk

mrsgavriluk@archbishophuttons.lancs.sch.uk

mrpugh@archbishophuttons.lancs.sch.uk

We hope that your child will enjoy and benefit from their participation with the zoom chats.

Keeping in touch

Keeping in touch throughout the next few weeks is going to be more important than ever.

All contact is now via email and alerts on the School Spider app.

The weekly newsletter is published on Fridays. Regular blogs provide additional information and updates when necessary. You will receive alerts when these are available.

Emails will be checked daily during the week. Next week the school office will be manned on Tuesday and Thursday.

Hello people of Year Six!

How are you all? Long time – no see!

The time has come to say goodbye.....

I think it goes without saying that the pesky Covid-19 situation has taken the shine off the last few months of our time together. It was never our intention for Year Six to just grind to a halt or even fade away. We had plans for pre SATs challenges, post SATs performances, school trips, leavers' assemblies and a goodbye party. Unfortunately, almost all of that has been taken away from us - but we would love for everyone to meet up one more time, so we can say goodbye and have some fun.

That's why on Wednesday 15th of July we are inviting you to school for an afternoon get together. We will have lunch and a catch up on all of our lockdown news. After lunch, we can give out year books, take some classic leavers' photos and get your shirts signed. It will also be a chance for you to say goodbye to the staff who are around that day and for us to record a special leavers' episode of our new podcast.

If it is dry, we will socially distance in the story circle area of the field. If wet, we will use the hall – keeping a safe distance apart.

We'd really love you to be there so we can spend a special final afternoon together before you all disappear off into the sunset (well, High School anyway!). If you can make it, let Mr Pugh know at - mr.pugh@archbishophuttons.lancs.sch.uk

We will then get back to you to confirm times and food arrangements.

We hope to see you then!

Miss Watson and Mr Pugh

Preloved Uniform

Do you have uniform your children either will not need or have grown out of?

The P.T.A. would love to sell at our preloved sale. Please keep hold of any uniform for the time being until it can be safely collected.

Many thanks!

Applying for free school meals

Have you recently become eligible for universal credit due to changing employment circumstances?

This may mean that your child/children are also eligible for free school meals. When you apply for universal credit at www.gov.uk/universal-credit remember to check whether this includes eligibility for free school meals. If your children are entitled to free school meals, let us know by email or phone. The government have just introduced a system of free school meal vouchers for parents to spend in supermarkets while schools are closed. As soon as we know your children are eligible, we can organise these vouchers.
