Thanks for the six large bags full of food for the Morecambe Bay Foodbank. They were greatly appreciated.

Wheelchair Basketball Stars

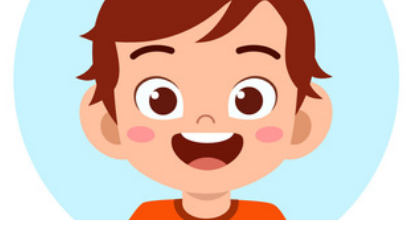

On Friday, we were visited by local sports star and fundraiser, Shaun Gash for a whole school lesson in Wheelchair Basketball. What fun was had across the whole school.

Next year everyone will be trying to earn as many of our fantastic fruits awards as we can.

fantastic fruits

Farewell to the Fab 14

This week we said goodbye to yet another fabulous Year Six class. The Fab 14 have had a great end to their time with us - performing their play, visiting the theatre and beating the teachers at rounders. This week they performed for the school and were given end of school Bibles, Yearbooks and awards at a special Leaver's Assembly. Well done - you have been a great Year Six!

Goodbye Miss Massaro

This week, we also said goodbye to Miss Massaro who has worked in with our Class 2 children, since joining us as a student teacher two years ago. We all want to thank her for her hard work and wish her good luck for the future.

Salt Ayre Super Sports Day

On Thursday, all of KS2 went to Salt Ayre to take part in the School Games. Over 20 local schools took part and the competition was strong. ABH won all of their Tag Rugby matches, came 4th in the Girl's football and 3rd in the Athletics. We also won a special Determination award for our hockey players who played for the first time. A great performance KS2!

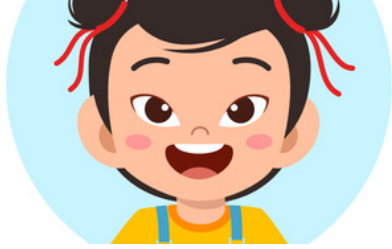

Remember you can make use of the Archbishop Hutton's Breakfast or After School Clubs if you need them. If you need more information, visit the Breakfast Club page on the website or contact Mrs Robinson in the office by phone or email - bursar@archbishophuttons.lancs.sch.uk

Mayan Art Work

Class Four rounded off their work on the Mysterious Mayans with some creative clay tiles. Taking Mayan legends and gods as their inspiration, their tiles were eye catching and also incredibly professional.

Our Wonderful Re-wilders

On Friday 15 July, we were joined by parents and villagers to share the success of our re-wilders gang who have grown our wild flower heart from seed. The gang have been working with Diane every Friday to plan out, dig, seed, water and weed the area. Please take time to look and enjoy their hard work over the Summer.

Here are some of the sensational sunflowers we have grown at home since Easter. Well done everyone. They look amazing (and very tall!)

Stunning Sunflowers
