## OUR SUPER LEARNERS

	Learner of the Week	Writing Hero	Maths Hero
Class 1	Theo Bagguley	Oliver Robinson	Oscar Hizzard
Class 2	Owen Price	Louie Taylor	Frankie Ashworth
Class 3	Layla Slater Chuwen	Layla Bayman	Katherine Vereker
Class 4	Faith Hamling	Marcel Mysiak	Georgia Darwell

## Team Points

Crag	Hutton
931	806
Washington	Senset
779	870

## ATTENDANCE

Whole School	This week's whole school attendance was <b>98.1%</b> <b>WOW!</b>
Awesome Attenders	Congratulations to <b>Class 1</b> with <b>100%</b>
Punctuality Superstars	Congratulations to <b>Class 1</b> for <b>100%</b> punctuality

## We made the news - again!

Following on from last week's fantastic **Wear Yellow Pudsey Pennies Day**, when we raised **£250** for **Children in Need**, we made the news.

Some of our Year 2 stars were photographed by Mr Pugh in their splashes of yellow and the photo was shown on both **North West Tonight** and the main **Children in Need show**. Well done

**Warton's Winter Wonderland**

*Let's Spread a little joy around the Village*

We are asking Villagers to decorate their houses for Christmas for all to enjoy! So why not decorate your windows, light up your garden or illuminate your driveway

A map will be produced of all properties who are involved, for others to enjoy, houses to be lit by 5th December 2020

Organised by Archbishop Hutton's School PTA, donations gratefully received through our Golden Giving page.

Further Info or to register to  
Linzsimmonds@yahoo.co.uk or via the Archbishop  
Hutton's PTA Facebook page

# Home Learning

PUPIL AREA VERIFICATION CODE – 111984

This term we will be pushing reading, spelling and times tables again – so please keep those up. Spelling tests are coming up in a couple of weeks.

Maths home learning will appear on a Thursday. Please do this as extra practise and mark it as you go. Don't forget to let the teachers know if you're struggling. You now have the **Maths Homework booklet**, explaining the different methods, we use in school to learn our Maths. It shows the various stages of learning to add, subtract, multiply and divide and how we teach it. You can use this book to help your child with home learning, but do not try to move them on using the booklet as they won't be ready for it, if they haven't yet learnt the methods in class.

On your child's class page is **Mr Pugh's Autumn Challenge**. These new challenges are worth **25 TP each**. Work can be brought into class at the end of the Christmas term for another Great Big Show and Tell or it can be uploaded onto the pupil area of the class website.

If we have to close a bubble because of Covid 19 we will use the website Pupil Area to keep in touch and set daily work for the class. This will be in a similar manner to the way work was set during the national lockdown period earlier in the year.

**Thanks for your help with Home Learning**

## Friday 27th November 2020

With all of us spending more and more time online it is important that we think about being safe when we are using the computer, games console, phone or tablet.

This term's computing lessons are focussed on being safe online, spotting dangers and following the SMART rules. Copies of these simple rules can be found on the **new Be Smart on the Internet** page on our school website.

**Next Friday** is our first **Be Smart on the Internet day**. Every class will take part in games, crafts and lessons to promote the rules. They will also take part in a **focussed session on Cyberbullying** – an important factor of life online. We are sure the day will be a great success and we look forward to sharing more with you after the event. In the meantime, have a look at the rules and tips on the new Smart on the Internet page.

The Dog's Trust charity will be Zoom calling Bubble One on the 1st of December to talk about pet care and how to be safe around dogs. The Dog's Trust, Happy Dogs lessons are a great way for the children to learn more about animals and build up confidence.

# PTA.

## Lottery

The PTA have launched a lottery to raise funds and give players the chance to win prizes. A replacement for the 100 Club, the lottery is run by the national, Your School Lottery Company. Tickets are £1 a week and as well as a chance of the national jackpot, there are regular draws just for our school. Visit [yourschoollottery.co.uk](http://yourschoollottery.co.uk) to sign up, help school and be in with a chance of a win.

## Christmas Raffle

Thanks for your contributions to the prizes this week. There will be five hampers as prizes, which will be made up from the items brought in by pupils. As well as the hampers there will be many smaller prizes—all worth winning! The live draw will take place on the PTA facebook page on 4th December.

## Pantomime

The PTA are funding a virtual school trip to Lancaster Grand's Pantomime on Thursday 17<sup>th</sup> December at 1pm. Beamed live from the theatre, each bubble will watch the show on the big screen, from the comfort of their classrooms. We can even holler, "Behind You!" and the actors should be able to hear us. It should be a cracking end of term treat!

# Reminders

### **Be Safe on the Internet Day**

Friday 27<sup>th</sup> November

### **Class 4 World War 2 Day**

Monday 30<sup>th</sup> November

### **Class 1 and 2 Dog's Trust Virtual Visit**

Tuesday December 1st

### **Christmas Dinner & Christmas Jumper Day**

Tuesday 15<sup>th</sup> December

### **Autumn Challenge – Big Show and Tell**

Thursday 17<sup>th</sup> December

### **Virtual Live Panto**

Thursday 17<sup>th</sup> December

---

We have been given over 250 young trees by the Woodland Trust. These will be planted along the bottom of the school field. The trees, which will be delivered in March 2021 will fill in the gaps along the fence and over time will form a much fuller hedge between the school grounds and the field behind. In March we will be looking for volunteers to help us on our Plant A Tree day. Get your spades and wellies ready.

**WOODLAND  
TRUST**

Working together to keep Coronavirus out of school is really important to us. Doing so, will mean that the children can continue to benefit from their usual lessons and will mean that we can see an end to this as soon as possible.

We are asking parents to help us by sticking to the drop of and pick up routines suggested below. I want to thank you for following these guidelines. It has made everyone feel safer and shows that we are all working together and taking the advice seriously.

With this in mind, I'd like to remind you that when you drop of your children in the morning we need you to **drop and go**. There are enough adults to supervise the children when you leave them. We'd really like you to **make the effort to socially distance** as much as you can and if you are going to be near other people outside your family for some time, **please wear a face covering**.

Likewise, when you pick your children up in the afternoon, **please do not come too early and congregate outside the gates**. Come, pick up and leave. It isn't that we don't want to see you - it is just common sense during the current situation. As we are now in a national lockdown, this is especially important. **None of the children in Bubble 2 or 3 should be here before 8:40**. Getting here early is not helping Bubble One parents keep their distance and if it rains it means they will be very wet before they even get into the building.

Everyone has been fantastic so far and we are one of the few schools locally and nationally to have kept infection away for as long as we have. **Thanks for everything you have been doing and let's keep it up - helping our children to stay safe and stay in school.**

## What do I do if I think we could have Coronavirus?

Here is our weekly reminder of the guidance about Covid19 and the symptoms. When should you keep your child home and seek a test? The advice given on the Department for Education website is this:

How can I prevent COVID-19?		
 <p>Wash your hands regularly or use an alcohol-based hand sanitizer.</p>	 <p>Avoid touching your face, especially your eyes, nose and mouth.</p>	 <p>Stay at least 1 metre away from people especially if they're unwell.</p>
 <p>Cough or sneeze into a tissue, then throw away the tissue and wash your hands.</p>	 <p>If you don't have a tissue use the inside of your elbow to cover your mouth.</p>	 <p>Stay at home and call your health worker if you're unwell.</p>

### What symptoms should schools be looking out for? How can schools tell if a pupil has just a cold, or whether it might be coronavirus?

The Department for Education has worked closely with Public Health England (PHE) and NHS Test and Trace to ensure that we are doing all we can to minimise the potential risks of spread. A key part of this is recognising the correct symptoms.

#### We ask that schools recommend to pupils and staff who feel unwell, that they get tested if:

They develop one or more of the **main coronavirus symptoms: a high temperature; a new, continuous cough; or the loss or change of their sense of taste or smell;** or They are recommended to get tested by a healthcare provider (e.g. GP or nurse).

If a child is tested because they are unwell, they should stay off school until they receive a result. As in any year, as schools go back, children may pick up common colds or feel unwell with a sore throat, stomach upset or a headache. These children may need to stay off school and parents/carers should call their GP or dial 111 to seek medical advice if they are concerned about their child's health.
