World Mental Health Day

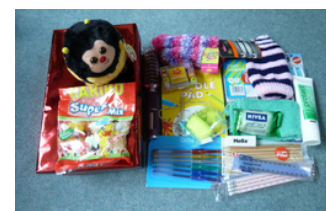

On Monday we have our first School Council led event. It is World Mental Health Awareness Day and we will be dressing in something yellow and bringing in a small donation for the Young Minds charity. Mental Health is a very important cause. In Science we have been learning how important it is to look after our bodies. We also need to look after our minds too.

Thank you if you contributed to the Harvest table. The Morecambe Bay Foodbank were delighted and will be featuring our school on their website.

Shoeboxes of Hope

We will soon be launching our **Boxes of Hope** shoebox campaign for this year. Last year we put together more than 20 shoebox gifts to help refugees in Romania. This year the gifts will also be given to children who have fled the fighting in the Ukraine. If you can help, please get hold of a shoebox and await further instructions at half term. Thank You.

#HelloYellow

YOUNGMINDS

We are writing to let you know that we are taking part in #HelloYellow on 10 October 2022 this World Mental Health Day.

The number of young people in need of mental health support is growing faster than ever - with a record breaking 420,000 young people being treated for mental health problems every month. Most young people aren't getting the help they need, and this can't go on.

That's why this year #HelloYellow is more important than ever. We need to make sure young people know that how they feel matters and they deserve to feel supported. We couldn't not get involved.

We'll be joining thousands of other schools by wearing yellow to show young people that how they feel matters, as well as raising money for YoungMinds. To take part, students can wear yellow to school on 10 October, and we ask parents and carers to consider making a donation to YoungMinds.

We'd like everyone to take part and raise awareness. If you are able, please dress in something yellow and bring in a donation (we suggest 50p or £1) to help the work of the Young Minds charity.

We're confident that taking part in #HelloYellow will show our young people that they're not alone with their mental health. Together, we can create a brighter future for children and young people.

Kind regards,

The School Council
