Victorian Week Fun

What a great week we have had, immersing ourselves in the world of the Victorians. We have learnt about life as a child in the Victorian Age and how your experience really differed, depending on how wealthy and educated you were. We looked at children in school, children forced to work, toys and the inventions which made life easier for all. Our visit to Leighton Hall gave everyone an insight into life in a large home during the period. Everyone had a great week.

Sponsored Sports Event and Paralympian Visit

We're very excited to be welcoming top athlete Stuart Robinson to the school on Tuesday, 08 November 2022.

Stuart Robinson will be leading a sponsored fitness circuit with all pupils and will follow-up with a talk and question and answer session. The aim of the event is to inspire the pupils to be more physically active, but just as importantly to encourage them to discover and then pursue their passion in life.

Shoebboxes of Hope

We are pleased to be working with **Cumbria Boxes of Hope** to support their shoebox gifts campaign.

Last year, we put together more than 20 shoebox gifts to help refugees in Romania. This year the gifts will also be given to children who have fled the fighting in the Ukraine. If you can help, please get hold of a shoebox and follow the instructions on the leaflet we sent home.

PLEASE GET YOUR BOX READY FOR MONDAY 7th NOVEMBER

Come Dine With Class 4

This term we have been focusing on healthy bodies. We have explored this theme in our Science and DT sessions. Every child has planned and made a healthy meal. Class 4 had a great couple of days making starters, mains and deserts a part of a Come Dine With Me challenge.
