OUR SUPER LEARNERS

Bubble 3 have been introduced to the puzzling and wonderful world of Algebra in this week's Maths.

Another hard working week has come to an end at Archbishop Hutton's. We have now finished our fifth week of remote learning and we are all very proud of everyone.

Bubble 2 have been busy working hard on all of their writing and a Stone Age project. They have produced some fabulous pieces of work. Bubble 3 have been developing their art skills again this week and Bubble One, have been Superheroes!

Keep it up everyone and check out this week's Friday assembly on the Collective Worship page for the best bits of the week.

Bubble Two are using Prodigy Maths to keep their brains active.

Bubble 1 have worked on subtraction and the skill of breaking numbers apart. They really concentrated hard and explained their workings.

Even if you didn't win a certificate this week, we want to say

WELL DONE EVERYONE!

Mrs Gavriluk has set up a new PE page on the Pupil Area for the whole school and lots of you keen walkers have been recording news of all the walks they have been on as part of their daily lockdown exercise.

The Halton family walked along the canal and saw lots of ducks and got very muddy. Scarlet Gora has been up the Crag and took some pictures of all of the cows. Isaac & Georgia Homes have been walking their sheep and Ollie, Archie, Sarah, Percy and Thomas D go up the Crag nearly every day. Ruby has been walking on her dad's running machine. They have all posted pictures on the home learning page.

Mrs Gavriluk went for a walk along Morecambe promenade and got told off by the Covid police for stopping to talk to someone. Oh dear! Mrs Spencer slipped and fell in all the mud on the Crag and Mr Pugh has walked about 30 miles over the last three weekends and has fallen over around 6 times and is covered in bruises.

PLEASE HELP

We are becoming very concerned about the amount of dog poo that is being deposited and left outside the gate for Bubble 2, at the top of the lane.

This morning (Thursday) a parent called me over to see the mess which our children had to navigate in order to get into school. There were around ten poos and three bags which had just been left for someone else to sort out. I have taken photos but decided not to put photographs on here, as they are not very pleasant at all. If you see anyone leaving this mess can you politely ask them to clean it up - or let us know in school and we shall report them to the council. If we know who they are they can be fined. This is not a very nice way for our children, parents or staff to start their day.

On Monday and Friday mornings, Mr Pugh is posting an assembly video for you to watch on the school website. Just click the banner button that says Collective Worship.

There will be stories, videos, some of your favourite songs and on a Friday we will share some of the best things of our week. The Friday assembly will also be

the home of Mr Harris's weekly PE challenge.

We hope you will join in and watch - if only to see Mr Pugh struggle with the technology!

This term the theme of our Worship time this term is Courage.

This Safeguarding Children 10 Top Tips Parent Resource is designed to help parents safeguard their child's mental health and promote their well being.
